Re) Conference Update

Hi

We are requesting an opportunity to update City Council on the “Voices of Our Youth” conference that was planned for May / 2020 and was postponed due to Covid19 concerns. The conference has now been rescheduled for May / 2021 going virtual: online only.

Most of council will likely remember from our presentation to last years’ city council that the focus audience of this conference is adult workers who support youth in the areas of education, correction, employment, mental health and housing. They will hear about successes and concerns from the perspective of our local and northern Saskatchewan teenager / young adult presenters.

This conference has been rescheduled for Thursday May 27th, 2021 and we are requesting the opportunity to update city council sometime in late March or early April, 2021.

Thank You for your attention to this request.
